Since 2002 the Steinway Society has provided life-enriching Musical programs, Music classes and Outreach programs in schools for over 16,000 children. We continue to actively contribute to the development of positive experiences for the students in the Coachella Valley. We are the only organization to offer these programs.

The mission of the Steinway Society is to promote excellence in piano performance, bring music into the schools, provide financial awards through competitions, and provide music lessons for deserving children.

The Society depends entirely on your support and grants to provide the music programs for the children in the Coachella Valley. We are allowed to use the Steinway name and Logo : we are self supporting as a 501(c)(3) EIN 1091628.

The membership dues are renewable each year in September. We welcome new members all year long. Let us make this a banner year by joining together to continue our work on giving a musical legacy to our children.
