For 6 years, we have been providing life-enriching Musical programs, Music classes and Outreach programs in schools for over 45,000 children. We will continue this year to actively contribute to the development of positive experiences for the students in the Coachella Valley.

The mission of the Steinway Society is to promote excellence in piano performance, bring music into the schools, provide financial awards through competitions, and provide music lessons for deserving children.

The Society depends entirely on your support and grants to provide the music programs for the children in the Coachella Valley. We are allowed to use the Steinway name: we do not receive any financial support from the Steinway company. We are a 501(c)(3) EIN 1091628 and are all volunteers.

The membership dues are renewable each year in September. We welcome members all year long.

Let us make this a banner year by joining together to continue our work on giving a musical legacy to our children.
